

CURRICULUM VITAE

NAME

Nathan Tang, MD
Associate Professor
Department of Pediatrics
University of South Florida College of Medicine

Allergy Asthma Associates, PA
St. Anthony's Professional Office
201 5th Avenue North, Suite 410
St. Petersburg, Florida 33705

Telephone: 727 767 0111
Fax: 727 767 0011
Email: ntangsin@health.usf.edu

EDUCATION

B.S., Chulalongkorn University, Bangkok, Thailand

M.D., Chulalongkorn University, Bangkok, Thailand

Intern and Resident: Department of Pediatrics, Children's Hospital of Michigan, Wayne State University, Detroit, Michigan, July 1993 – June 1996

Clinical Fellow: Clinical Laboratory Immunology, Department of Pediatrics, University of South Florida July 1998 – June 1999

Fellowship Allergy and Clinical Immunology, Department of Pediatrics, University of South Florida July 1996 – June 1998

APPOINTMENTS

Apr 1991 – Jun 1993 Medical Director, Health Care Clinic, Bangkok Metropolitan Administration, Bangkok, Thailand

July 1999 – Feb 2000 Research Associate, Division of Allergy and Clinical Immunology, Department of Pediatrics, University of South Florida College of Medicine

Mar 2000 – July 2005 Assistant Professor, Department of Pediatrics, University of South Florida College of Medicine

Oct 2001 – Jun 2003 Co-Director, Allergy/Immunology Training Program, University of South Florida College of Medicine

July 2003 – Oct 2003 Interim Director, Allergy/Immunology Training Program, University of South Florida College of Medicine

Nov 2003 – July 2007 Director, Allergy/Immunology Training Program, University of South Florida College of Medicine

Aug 2005 – pres Associate Professor, Department of Pediatrics, University of South Florida
College of Medicine

July 2007 – pres Medical Director, Allergy Asthma Associates, PA

HONORS AND AWARDS

2004 Von Pirquet Award, American College of Allergy, Asthma & Immunology (ACAAI),
Boston, Massachusetts

2004 America's Top Physician, Consumers' Research Council of America, Washington D.C.

2004. Excellent Presentation Award, Health Sciences Center Research Day, University of
South Florida, Tampa, Florida

2002 Von Pirquet Award, American College of Allergy, Asthma & Immunology (ACAAI), San
Antonio, Texas

1999 Travel Grant Award, Sixth Annual Allergy Fellows Symposium, San Diego, California

1999 New Investigators Award, Clinical Immunology Society (CIS), Washington, D.C.

1998 Travel Grant Award, American College of Allergy, Asthma & Immunology (ACAAI),
Philadelphia, Pennsylvania

1998 Travel Grant Award, Fifth Annual Allergy Fellows Symposium, Chicago, Illinois

1997 Travel Grant Award, American College of Allergy, Asthma & Immunology (ACAAI), San
Diego, California

1997 Travel Grant Award, American Academy of Allergy, Asthma & Immunology (AAAAI), San
Francisco, California

1985 Special Scientific Contest Award, 13th among 80,000 candidates

1978 - 1982 Diploma Certificates for excellent academic achievement

BOARDS

American Board of Allergy and Immunology, 1999

Board of Clinical Laboratory Immunology, 1999

American Board of Pediatrics, 1996, re-certified 2003

LICENSURE

Federation Licensing Examination (FLEX) Certificate, 1993

Educational Commission for Foreign Medical Graduates (ECFMG) Certificate, 1993

State of Florida Medical License # ME78703, 1999 - present

State of Michigan Medical License, 1993 – 1998

Thai Medical License, 1991- present

Hospital Privileges

All Children's Hospital, 801 Sixth St South, St. Petersburg, FL 33701
Dec 1, 1999 – present

Bayfront Medical Center, 701 Sixth St South, St. Petersburg, FL 33701
Nov 11, 2001 – present

St. Anthony's Hospital, 1200 7th Avenue North, St. Petersburg, FL 33705
August 1, 2007 – present

Edward White Hospital, 2323 8th Avenue North, St. Petersburg, FL 33733
June 28, 2007 – present

SOCIETY MEMBERSHIPS

American Academy of Allergy, Asthma & Immunology (FAAAAI)

American Academy of Pediatrics (FAAP)

American College of Allergy, Asthma & Immunology (FACAAI)

American Academy of Allergy, Asthma & Immunology (FAAAAI)

Section Committee, Primary Immunodeficiency,

Section Committee, HIV

Clinical Immunology Society (CIS)

Florida Allergy, Asthma & Immunology Society (FAAIS)

Medical Council of Thailand

UNIVERSITY COMMITTEES AND APPOINTMENTS

Training Program Director GMEC Committee, USF,
November 2003-June 2007

Resident Education, Support, Employment and Grievance (ESEG)
GMEC subcommittee, University of South Florida
2003-June 2007

Faculty Reviewer, Internal Review, USF Training Program
February, 2004

Medical Director, Allergy Clinics, USF
October 2001-June 2007

Associate Chief, Division of Allergy, Immunology & Rheumatology, USF
October 2001-June 2007

Search committees for clinical faculty, USF
July 2002-present

Search Committees for Allergy/Immunology Fellowship Candidates

July 2002-present

Executive Committee of the Medical Staff, ACH Chair, Division of Allergy/Immunology
& Rheumatology
Jan 2002- Dec 2004

Reviewer, *“Consultant”*, *“Allergy & Asthma Proceedings”*, *“Annals of Allergy, Asthma
& Immunology”*

EXTRAMURAL COMMITTEES AND APPOINTMENTS

Training Program Directors' Committee, 2003-present
Academy of Allergy, Asthma & Immunology (AAAAI)
Vice Chair: Academic Development Subcommittee, 2003-present

INVITED PRESENTATIONS AT REGIONAL AND NATIONAL MEETINGS 2002 - 2007

1. “Pediatric HIV Infection” All Children’s Hospital Research Seminar, USF/ All Children’s Hospital, St. Petersburg, Florida, November 25, 2002.
2. “HIV Infection for the Pediatrician” 26th Florida Suncoast Pediatric Conference, St. Petersburg, Florida, June 16, 2002.
3. “Poor immunogenic response to pneumococcal polysaccharide vaccine in HIV-infected children” Tenth Annual Fellows’ Forum, USF/All Children’s Hospital, St. Petersburg, Florida, May 23, 2002.
4. “Pediatric HIV Infection” American Academy of Allergy, Asthma & Immunology (AAAAI) 2002 Annual Meeting, New York, New York, March 4, 2002.
5. “Evaluation of the child with recurrent infection” Pediatric Grand Rounds, USF/ All Children’s Hospital, St. Petersburg, Florida, January 25, 2002.
6. “Advances in Therapy of Primary Immunodeficiency” The Immunodeficiency Foundation, Florida Chapter, Patient Family Symposium, St. Petersburg, Florida, May 17, 2003.
7. “Drug Allergy” Pediatric Allergy/Immunology Symposium, Sarasota Memorial Hospital, Sarasota, Florida, September 18, 2004.
8. “Management of Drug Allergy” Pediatric Grand Rounds, USF/ All Children’s Hospital, St. Petersburg, Florida, July 30, 2004.
9. “Lunch with the Specialists – Round Table Discussion” 29th Florida Suncoast Pediatric Conference, St. Petersburg, Florida, June 29th, 2005.
10. “HIV Infection Control and Current Treatment” Pinellas County Dental Association Conference, St. Petersburg, Florida, March 8th, 2006.
11. “From FIT to Faculty: Meet Your Future” Breakfast Networking with Prominent A/I Researchers and Professors. American Academy of Allergy, Asthma & Immunology (AAAAI) 2006 Annual Meeting, Miami, Florida, March 4, 2006.

12. "Why is allergy and asthma on the rise? and What can we do about it?" Pediatric Grand Rounds, USF/ All Children's Hospital, St. Petersburg, Florida, October 19, 2007. (scheduled)
13. "Asthma and the Allergy Connection" Grand Rounds, St. Anthony's Hospital, St. Petersburg, Florida, October 23, 2007. (scheduled)
14. "Asthma and the Allergy Connection" Asthma Care in the 21st Century, Pinellas County Health Department-All Children's Hospital, St. Petersburg, Florida, September 12, 2007.
15. "Lunch with the Specialists – Round Table Discussion" 31st Florida Suncoast Pediatric Conference, St. Petersburg, Florida, June 16th, 2007.
16. "HIV Infection Updated" Pediatric Grand Rounds, USF/ All Children's Hospital, St. Petersburg, Florida, February 9, 2007.

Publications (2002 – 2007)

1. Tang N, Day NK, Good RA, Haraguchi S. Different mechanisms are utilized by HIV-1 Nef and staphylococcal enterotoxin A to control and regulate interleukin-10 production. *Immunol Lett* 84:97-101, 2002.
2. Brown C, Tang N, Emmanuel PJ. Development and implementation of patient data flow sheets. *J Assoc Nurses AIDS Care* 13:58-63, 2002.
3. Palumbo MJ, Good RA, and Tang N. Recurrent infections in a nine-month-old male Infant. *J Pediatr*. 143:394-8, 2003.
4. Tang N, Khan HA, Jones OY, Good RA. Fever, abdominal pain and interstitial pneumonia in a 13-year-old female. *Ann Allergy Asthma Immunol* 90:485-490, 2003.
5. Rucker RP, Day NK, Good RA, Kamchaisatian W, Emmanuel PJ, Sleasman JW, Mayeski C, Dinglasan E, Haraguchi S, Tang N. Influenza virus vaccine decreases expression of HIV coreceptor CCR5 *in vivo*. *Ann Allergy Asthma Immunol* 93:272-276, 2004.
6. Tang N, Kamchaisatian W, Day NK, Good RA, Sleasman JW, Emmanuel PJ. Immunogenic response to 23-valent pneumococcal polysaccharide vaccine in HIV-1-infected children on highly active antiretroviral therapy (HAART). *Ann Allergy Asthma Immunol* 92:558-64, 2004.
7. Tang N, Kamchaisatian W, Lujan-Zilbermann J, Brown CL, Sleasman JW, and Emmanuel PJ. Varicella Zoster as a Common Manifestation of Immune Restoration Disease in HIV-Infected Children. *J Allergy Clin Immunol* 113:742-6, 2004.
8. Day NK, Tang N, Ochs HD, Rucker RP, Picard C, Casanova JL, Good RA, Haraguchi S. IRAK-4 deficiency associated with bacterial infections and failure to sustain antibody responses. *J Pediatr* 144:524-6, 2004.
9. Martin DP, Tang N, Sleasman JW, Day NK, Wongchantara DR. Acrodermatitis enteropathica-like eruption and food allergy. *Ann Allergy Asthma Immunol* 94:398-401, 2005 [corespondent author].
10. Lavi RF, Kamchaisatian W, Sleasman JW, Martin DP, Haraguchi S, Day NK, Tang N. Thymic output markers indicate immune dysfunction in DiGeorge syndrome. *J Allergy Clin Immunol* 118:1184-6, 2006.
11. Haraguchi S, Day NK, Kamchaisatian W, Beigier-Pompadre M, Stenger S, Tang N, Sleasman JW, Pizzo SV, Cianciolo GJ. LMP-420, a small-molecule inhibitor of TNF-alpha, reduces replication of HIV-1 and Mycobacterium tuberculosis in human cells. *AIDS Res Ther* 3:8, 2006.
12. Kamchaisatian W, Wanwatsuntikul W, Sleasman JW, Tang N. Validation of current joint AAAAI and ACAAI guidelines for antibody response to the 23-valent pneumococcal vaccine using a population of HIV-infected children. *J Allergy Clin Immunol* 118:1336-41, 2006.
13. Sanka M, Tang N, Loscalzo M, Sleasman JW, Dorsey MJ. Complete DiGeorge Syndrome Associated with CHD7 Mutation *J Allergy Clin Immunol*, 120:952-954, 2007 [Letters to the Editor]

Manuscripts in Preparation

1. Khan HA, Tang N, Good RA, Noack D, Rae J, Heyworth PG, Bahna SL, Day, NK. P67-phox deficient chronic granulomatous disease due to heterozygous defects in exons 4 and 12 of the NCF-2 gene. [In preparation]
2. Hartel AS, Sleasman JW, Tang N. Neonatal Bullous Pemphigoid Caused by Alloantibody Transmitted from Asymptomatic Mother. [In preparation]
3. Wanwatsuntikul W, Sleasman JW, Tang N. Isohemagglutinins in Pediatric HIV infection. [In preparation]
4. Siri DD, Sleasman JW, Tang N. Natural Killer Cell Impairment in a Patient with Pachyonychia Congenita. [In preparation]

Abstracts and Posters (2002 – 2007)

1. Oral Presentation: Palumbo MJ, Wongchantara D, Good RA, Rossbach H, and Tang N. Anti-CD20 monoclonal antibody treatment for EBV-associated, B-cell lymphoproliferative disease in a child with SCID. American College of Allergy, Asthma & Immunology (ACAAI) Annual Meeting, San Antonio, Texas, November 15-20, 2002.
2. Poster Presentation: Martin DP, Wongchantara DR, Good RA, Day NK, Gondor M, and Tang N. Acrodermatitis as a manifestation of milk allergy and cystic fibrosis. American College of Allergy, Asthma & Immunology (ACAAI) Annual Meeting, San Antonio, Texas, November 15-20, 2002.
3. Poster Presentation: Palumbo MJ, Wongchantara D, Rossbach H, Good RA, and Tang N. Anti-CD20 monoclonal antibody treatment for EBV-associated, B-cell lymphoproliferative disease in a child with severe combined immunodeficiency. Florida Allergy Asthma & Immunology Society (FAAIS) Annual Meeting, Key Largo, FL, June 7-9, 2002.
4. Poster Presentation: Martin DP, Wongchantara DR, Good RA, Day NK, Gondor M, and Tang N. Acrodermatitis as a manifestation of milk allergy and cystic fibrosis. Florida Allergy Asthma & Immunology Society (FAAIS) Annual Meeting, Key Largo, FL, June 7-9, 2002.
5. Poster Presentation: Rucker RP, Day NK, Haraguchi S, Mayeski CM, Johnson L, Roder VF, Dinglasan E, Good RA, and Tang N. Influenza virus vaccine decreases expression of CCR5 and CXCR4 *in vivo*. Federation of Clinical Immunology Societies (FOCIS) 2nd Annual Meeting, San Francisco, CA, June 28-July 1, 2002. Clin Immunol 103:S42, 2002. Abstract # 129.
6. Oral Presentation: Khan HA, Tang N, Good RA., Noack D, Rae J, Heyworth PG, Bahna SL, and Day, NK. P67-phox deficient chronic granulomatous disease due to heterozygous defects in exons 4 and 12 of the NCF-2 gene. Tenth Annual Fellows' Forum, USF/All Children's Hospital, St. Petersburg, Florida, May 23, 2002.
7. Oral Presentation: Rucker RP, Day NK, Haraguchi S, Kamchaisatian W, Mayeski C, Roder V, Johnson L, Dinglasan E, Good RA, and Tang N. Influenza virus vaccine decreases expression of CCR5 and CXCR4 *in vivo*. Tenth Annual Fellows' Forum, USF/All Children's Hospital, St. Petersburg, Florida, May 23, 2002.
8. Poster Presentation: Emmanuel PJ, McFarland SR, Tang N, Pomputius W, and Pollara B. Duration of past antiretroviral therapy (ART) is associated with toxicity due to subsequent treatment with stavudine (d4T) didanosine (ddI) and efavirenz (EFV) in HIV-infected children. Pediatric Academic Societies' Annual Meeting, Baltimore, MD, May 4-7, 2002.
9. Poster Presentation: Tang N, Day NK, Good RA, and Emmanuel PJ. Poor immunogenic response to pneumococcal polysaccharide vaccine in HIV-infected children. Ninth Conference on Retroviruses and Opportunistic Infections, Seattle, WA, February 24-28, 2002.
10. Oral Presentation: Khan HA, Good RA, Tang N, Noack D, Rae J, Heyworth PG, Day NK, and Bahna SL. P67-phox deficient chronic granulomatous disease due to heterozygous defects in exons 4 and 12 of the neutrophil cytosolic factor-2 (NCF-2). J Allergy Clin Immunol 2002; 109: S278. American Academy of Allergy, Asthma & Immunology (AAAAI) Annual Meeting, New York, New York, March 1-6, 2002.

11. Poster Presentation: Rucker RP, Day NK, Haraguchi S, Emmanuel PJ, Good RA, Mayeski CM, Johnson L, Roder VF, Dinglasan E, Tang N. Influenza virus vaccine decreases expression of CCR5 in HIV-infected patients. Health Sciences Center Research Day, University of South Florida, Tampa, Florida, February 14, 2002.
12. Poster Presentation: Khan HA, Tang N, Good RA, Noack D, Rae J, Heyworth PG, Bahna SL, Day NK. P67-phox deficient chronic granulomatous disease due to heterozygous defects in exons 4 and 12 of the neutrophil cytosolic factor-2 (NCF-2). Health Sciences Center Research Day, University of South Florida, Tampa, Florida, February 14, 2002.
13. Poster Presentation: Zacharias D, and Tang N. Toxic shock syndrome in a child with atopic dermatitis. American College of Allergy, Asthma & Immunology (ACAAI) 2003 Annual Meeting, New Orleans, Louisiana, November 7-12, 2003.
14. Poster Presentation: Lujan-Zilbermann J, Emmanuel PJ, Kamchaisatian W, Brown CL, Sleasman JW, Tang N. The immune restoration syndrome in HIV infected children. The 4th Pediatric Infectious Diseases Society Meeting in San Diego, California, October 12-14 2003.
15. Poster Presentation: Zacharias D, Tang N, Good RA. Autoimmune pancytopenia as a presentation of DiGeorge syndrome. Florida Allergy Asthma & Immunology Society (FAAIS) Annual Meeting, Orlando, Florida, June 13-15, 2003.
16. Oral Presentation: Palumbo MJ, Wongchantara DR, Rossbach H, Good RA, and Tang N. Anti-CD20 monoclonal antibody treatment for EBV-associated B cell lymphoproliferative disease in a child with SCID. Eleventh Annual Fellows' Forum, All Children's Hospital, St. Petersburg, Florida, April 10, 2003.
17. Oral Presentation: Zacharias D, Tang N, Good RA. Autoimmune pancytopenia as a presentation of DiGeorge syndrome. Eleventh Annual Fellows' Forum, USF/All Children's Hospital, St. Petersburg, Florida, April 10, 2003.
18. Oral Presentation: Kamchaisatian W, Haraguchi S, Good RA, Day NK, Emmanuel P, Sleasman JW, Tang N. HIV-1 Nef decreases CXCR4 expression on CD4⁺ T-lymphocytes. Eleventh Annual Fellows' Forum, USF/All Children's Hospital, St. Petersburg, Florida, April 10, 2003.
19. Oral Presentation: Haraguchi S, Day NK, Hitchcock R, Rucker R, Tang N, and Good RA. Interleukin-1 receptor-associated kinase 4 deficiency in a child with recurrent infections. Eleventh Annual Fellows' Forum, USF/All Children's Hospital, St. Petersburg, Florida, April 10, 2003.
20. Oral Presentation: Kamchaisatian W, Haraguchi S, Good RA, Day NK, Emmanuel P, Sleasman JW, Tang N. HIV-1 Nef decreases CXCR4 expression on CD4⁺ T-lymphocytes. Health Sciences Center Research Day, University of South Florida, Tampa, Florida, February 13, 2003.
21. Poster Presentation: Martin DP, Wongchantara DR, Good RA, Day NK, Gondor M, Tang N. Acrodermatitis as a manifestation of milk allergy and cystic fibrosis. Health Sciences Center Research Day, University of South Florida, Tampa, Florida, February 13, 2003. Abstract # 41 HSC Abstract Book.
22. Poster Presentation: Palumbo MJ, Tang N, Good RA, Rituximab as treatment for giant cell hepatitis with autoimmune hemolytic anemia. *J Allergy Clin Immunol* 2003; *111*: S317. American Academy of Allergy, Asthma & Immunology (AAAAI) Annual Meeting, Denver, Colorado, March 7-12, 2003.
23. Oral Presentation: Hartel AS, Sleasman JW, Tang N. Recurrent streptococcal meningitis in a child with heterozygous mannose-binding lectin mutation. American College of Allergy, Asthma & Immunology (ACAAI) 2004 Annual Meeting, Boston, Massachusetts, November 12-17, 2004.
24. Poster Presentation: Sikora M, Sleasman JW, Tang N. Treacher-Collins Syndrome and Associated common variable immunodeficiency. American College of Allergy, Asthma & Immunology (ACAAI) 2004 Annual Meeting, Boston, Massachusetts, November 12-17, 2004.
25. Oral Presentation: Lavi RF, Tang N, Sleasman JW, Jones OY. Plasma cell myositis in a child with primary T-cell deficiency. American College of Allergy, Asthma & Immunology (ACAAI) 2004 Annual Meeting, Boston, Massachusetts, November 12-17, 2004.
26. Oral Presentation: Siri DD, Brauer KS, Day NK, Tang N, Sleasman JW. Mannose-binding lectin deficiency in children with recurrent infection. American College of Allergy, Asthma & Immunology (ACAAI) 2004 Annual Meeting, Boston, Massachusetts, November 12-17, 2004.
27. Poster Presentation: Siri D, Tang N. Evidence of thymic dysfunction in ataxia telangiectasia. Florida Allergy Asthma & Immunology Society (FAAIS) Annual Meeting, Naples, Florida, June 11-13, 2004.

28. Oral Presentation: Rucker RP, Sleasman J, Tang N. Three-week-old male infant presents with epidermolysis bullosa and eosinophilic colitis. Twelfth Annual Fellows' Forum, USF/All Children's Hospital, St. Petersburg, Florida, St. Petersburg, Florida, April 15, 2004.
29. Oral Presentation: Kamchaisatian W, Haraguchi S, Good RA, Day NK, Sleasman JW, Tang N. Effects of SEA on chemokine receptor expression of monocytes and T-lymphocytes in HIV-infected children. Twelfth Annual Fellows' Forum, USF/All Children's Hospital, St. Petersburg, Florida, April 15, 2004.
30. Poster Presentation: Rucker RP, Sleasman J, Tang N. Three-week-old male infant presents with epidermolysis bullosa and eosinophilic colitis. American Academy of Allergy, Asthma & Immunology (AAAAI) Annual Meeting, San Francisco, California, March 19-21, 2004.
31. Poster Presentation: Siri DD, Tang N. Evidence of thymic dysfunction in ataxia telangiectasia. American Academy of Allergy, Asthma & Immunology (AAAAI) Annual Meeting, San Francisco, California, March 19-21, 2004.
32. Poster Presentation: Zacharias D, Tang N. T-cell depletion in Wolf-Hirschhorn syndrome. American Academy of Allergy, Asthma & Immunology (AAAAI) Annual Meeting, San Francisco, California, March 19-21, 2004.
33. Poster Presentation: Kamchaisatian W, Haraguchi S, Good RA, Day NK, Emmanuel P, Sleasman JW, Tang N. HIV-1 Nef decreases CXCR4 expression on CD4+ T-lymphocytes. HIV-1 Nef Decreases CXCR4 Expression on CD4+ T-lymphocytes. American Academy of Allergy, Asthma & Immunology (AAAAI) Annual Meeting, San Francisco, California, March 19-21, 2004.
34. Poster Presentation: Kamchaisatian W, Haraguchi S, Day NK, Sleasman JW, Tang N. Chemokine receptors (CXCR4 and CCR5) response to bacterial superantigen on CD4+ T lymphocytes and CD14+ monocytes. Health Sciences Center Research Day, University of South Florida, Tampa, Florida, February 26, 2004.
35. Poster Presentation: Rucker RP, Sleasman J, Tang, N. Three-week-old male infant presents with epidermolysis bullosa and eosinophilic colitis. Health Sciences Center Research Day, University of South Florida, Tampa, Florida, February 26, 2004.
36. Poster Presentation: Zacharias D, Tang N. T-cell depletion in Wolf-Hirschhorn syndrome. Health Sciences Center Research Day, University of South Florida, Tampa, Florida, February 26, 2004.
37. Poster Presentation: Siri DD, Brauer KS, Thankavel B, Day NK, Tang N, Sleasman JW. Mannose-binding lectin deficiency in children with recurrent infection. 2005 Florida Allergy, Asthma & Immunology Society, Boca Raton, Florida, June 10-12, 2005.
38. Poster Presentation: Hartel, A, Slasman JW, Tang N. Recurrent streptococcal meningitis in a child with heterozygous mannose-binding lectin mutaton. 2005 Florida Allergy, Asthma & Immunology Society, Boca Raton, Florida, June 10-12, 2005.
39. Oral Presentation: Hartel S, Sleasman JW, Tang N. Recurrent streptococcal meningitis in a child with heterozygous mannose-binding lectin. Lewis A. Barness Fellows' Forum, All Children's Hospital, St. Petersburg, Florida, April 7, 2005.
40. Oral Presentation: Siri DD, Brauer KS, Day NK, Tang N, Sleasman JW. Mannose-binding lectin deficiency in children with recurrent infection. Lewis A. Barness Fellows' Forum, All Children's Hospital, St. Petersburg, Florida, April 7, 2005.
41. Oral Presentation: Lavi RF, Tang N, Sleasman JW. Plasma cell myositis in a child with primary T cell deficiency. Lewis A. Barness Fellows' Forum, All Children's Hospital, St. Petersburg, Florida, April 7, 2005.
42. Oral Presentation: Brauer KS, Tang N, Skoda-Smith S, Sleasman JW. Respiratory failure due to Pneumocystis Pneumonia is more common in infants with AIDS than in infants with Primary Immunodeficiency (PID). Lewis A. Barness Fellows' Forum, All Children's Hospital, St. Petersburg, Florida, April 7, 2005.
43. Poster Presentation: Brauer KS, Tang N, Sleasman JW. Pneumocystis pneumonia outcomes in primary or secondary immunodeficiency. Southern Society for Pediatric Research (SSPR), February 24-25, 2005, New Orleans, Louisiana.
44. Poster Presentation: Brauer KS, Day NK, Tang N, Sleasman JW. Mannose-binding lectin deficiency in children with recurrent infection. Health Sciences Center Research Day, February 24, 2005, Tampa, Florida.

45. Poster Presentation: Hartel A, Sleasman JW, Tang N. Recurrent streptococcal meningitis in a child with heterozygous mannose-binding lectin. Health Sciences Center Research Day, February 24, 2005, Tampa, Florida. Won the Superior Presentation Award
46. Poster Presentation: Lavi RF, Tang N, Sleasman JW, Day, NK, Haraguchi S, Jones OY. Plasma cell myositis in a child with primary T cell deficiency. Health Sciences Center Research Day, February 24, 2005, Tampa, Florida.
47. Poster Presentation: Sikora M, Sleasman JW, Tang N. Treacher-Collins syndrome and associated common variable immunodeficiency. Health Sciences Center Research Day, February 24, 2005, Tampa, Florida.
48. Poster Presentation: Siri DD, Brauer KS, Day NK, Tang N, Sleasman JW. Mannose-binding lectin deficiency in children with recurrent infection. Health Sciences Center Research Day, February 24, 2005, Tampa, Florida. Won the Superior Presentation Award.
49. Poster Presentation: Brauer KS, Tang N, Smith SS, Sleasman JW. Pulmonary outcomes are more severe among HIV-infected children with Pneumocystis Pneumonia than in children with primary immunodeficiency. 60th Annual Meeting of the American Academy of Allergy, Asthma & Immunology, March 19-23, 2005, San Antonio, Texas. J Allergy Clin Immunol 115:S87-333, 2005.
50. Poster Presentation: Hartel A, Sleasman JW, Tang N. Bullous pemphigoid in a newborn with evidence of maternal transmission. 62nd Meeting of the American Academy of Allergy, Asthma & Immunology, Miami Beach, Florida, March 3-7, 2006.
51. Poster Presentation: Lavi RF, Tang N, Day NK, Sleasman JW. Case series of juvenile arthritis in two females with autosomal recessive agammaglobulinemia. 62nd Meeting of the American Academy of Allergy, Asthma & Immunology, Miami Beach, Florida, March 3-7, 2006.
52. Oral Presentation: Dowd M, Tang N, Siri DD, Hartel AS, Brauer KS, Umeh IN, Day NK, Sleasman JW. Association between mannose-binding lectin deficiency and immunoglobulin subclass 4 deficiency in children with recurrent infections. 2007 Annual Meeting of the American Academy of Allergy, Asthma & Immunology, February 23 – 27, 2007, San Diego, California. J Allergy Clin Immunol 119:S71: Abstract # 278, 2007.
53. Poster Presentation: Sanka M, Tang N, Loscalzo M, Sleasman JW, Dorsey MJ. Complete DiGeorge syndrome due to CHD7 mutation. 2007 Annual Meeting of the American Academy of Allergy, Asthma & Immunology, February 23 – 27, 2007, San Diego, California. J Allergy Clin Immunol 119:S91: Abstract # 367, 2007.
54. Poster Presentation: Sriaroon P, Tang N, Skoda-Smith S, Elder ME, Sleasman JW. Eosinophilic fasciitis associated with X-linked agammaglobulinemia: Report of two cases. 2007 Annual Meeting of the American Academy of Allergy, Asthma & Immunology, February 23 – 27, 2007, San Diego, California. J Allergy Clin Immunol 119:S90: Abstract # 353, 2007.
