Job Title: Oncology Nurse Practitioner

Coastal Cancer Center is a state-of-the-art community based practice, seeking Oncology Nurse Practitioners or Advanced Nurse Practitioners willing to learn oncology. We are located on the beautiful eastern coast in Myrtle Beach, South Carolina. We have multiple locations and have been in existence since 1982. We offer pleasant working conditions and a great benefit package.

Qualifications: Candidates must have the ability to work directly with physicians, patients/family and other staff members. Candidate must have excellent organizational skills, computer skills and must be able to work independently. Applicant must have knowledge of professional nursing theory, regulations and practices to give and evaluate patient care. Position requires ability to order and interpret diagnostic labs and radiology and the ability to perform procedures according to practice policies.

Certificates, Licenses, Registrations: Board certified Nurse Practitioner and RN required. Advanced Oncology Certified Nurse (AOCN) preferred; or must be obtained within three (3) years from date of hire. CPR certification required.

Email current CV/resume to hrccc@coastalcancercenter.com, or fax current CV/resume to (843) 429-5053 and/or call for information (843) 692-5000.
