

Are you committed to providing excellent care to older adults?

**Do you want to develop your career in Geropsychiatry,
the fastest growing behavioral healthcare sector in the U.S.?**

Then **Vericare** is for you!

Vericare is the nation's leading provider of quality behavioral healthcare for older adults. We have been in business for nearly 20 years, committed to providing consistent, competent and comprehensive care to adults in long term care facilities.

Vericare has excellent opportunities in Florida!

We have immediate openings for Psychiatric/Mental Health ARNPs or Gerontological ARNPs in Tampa, St. Petersburg, Orlando, Jacksonville & Tallahassee.

Vericare offers excellent earning potential, flexible scheduling and collaboration with a team of dedicated mental health professionals. Also, offered are free CE's, paid malpractice, 401K, health and dental benefits, PTO and paid licensure.

Vericare offers tools and support not found in other companies, to include:

- Paid new employee orientation
- Formatted notes & reports
- Clinical training
- Ongoing mentoring and support

Required Qualifications:

- Active FL RN license in good standing
- Masters degree in nursing
- ANCC in either psychiatric mental health or gerontology
- Current knowledge of newest psychotropic medication and treatment modalities
- Demonstrated experience in psychotropic medication management, preferably with a geriatric population

Call now to join our dynamic Vericare team!
