

Professor of Nursing
Lee Campus

Located on the pristine Gulf Coast of Southwest Florida, Edison State College is proud to be distinguished as an innovative and vibrant four year state college. We are a dynamic and progressive institution of higher education that offers an empowering environment for faculty and staff.

Edison is seeking a full time Professor of Nursing to join our Baccalaureate program. The successful candidate will have a Doctoral degree in Nursing, high ethical and moral character with personal and educational philosophy compatible with the goals, objectives, and mission of Edison State College.

Review of applications will begin immediately. This position is a 9-month full time faculty position that begins on August 24, 2009.
