Shimberg Health Sciences Library Home Page

This site (http://www.hsc.usf.edu/library/) is the portal to the Health Sciences Center literature databases, consisting of books, journals, journal articles, systematic reviews, websites, Virtual Library access, ordering books and articles, etc.

Databases are accessed from the main page, and from Restricted Resources.

Consult the catalog!

Education provides literature searching assistance.

Restricted Resources:
- Requires HSC account ID and password
- Access databases, full text journals with special passwords, and curriculum software
- Obtain database passwords
